

Knowsley Metropolitan Borough Council – Shopfront and Signage Design Supplementary Planning Document

Adoption Statement – June 2023

An update to the Shopfront and Signage Design Supplementary Planning Document (SPD) was adopted by Knowsley Metropolitan Borough Council at a Cabinet meeting on 14 June 2023. The cabinet report for the SPD is included here: [Cabinet Report¹](#).

The SPD will replace the previous Shopfront and Signage Design SPD adopted in January 2016. The Shopfront and Signage Design SPD has been prepared by Knowsley Metropolitan Borough Council to support and provide additional guidance for the national and local planning policies such as the Local Plan that relate to design of and alteration to shopfronts and signage. This SPD complements the Design Quality in New Development SPD which provides the overarching design guidance for Knowsley and applies to all new development affecting shopfronts and associated signage within the Borough including changes of use.

Any person with sufficient interest in the decision to adopt the SPD may apply to the High Court for permission to apply for judicial review of that decision. Any such application must be made promptly and, in any event, not later than 3 months after the date on which the SPD was adopted.

In accordance with the Town and Country Planning (Local Planning) (England) Regulations 2021 (as amended) the adopted SPD; consultation statement (summarising the consultation undertaken during preparation of the SPD and setting out the issues raised during consultation and how they have been addressed) and a copy of this adoption statement can be viewed on the Council's website at:
