Dear Mr Liddington

Submission of Knowsley Local Plan: Core Strategy

I am writing to you under the requirements of the above mentioned legislation to submit the Knowsley Local Plan: Core Strategy for independent examination.

I enclose (in the boxes accompanying this letter) the Plan and other documents as required by Regulation 22 of the Town and Country Planning (Local Planning) (England) Regulations 2012. Two hard copies of the Plan are provided and one hard copy of each of the supporting documents. A USB drive with an electronic copy is also enclosed.

A list of the documents which are being submitted is in Annex A to this letter. This list includes a schedule of minor changes to the Plan. These changes mainly reflect the availability of updated data or other editorial changes. The reason for each change is included in the schedule.

We expect the public hearing stage of the independent examination to take place at the Huyton Suite (Gallery Room), Civic Way, Poplar Bank, Huyton, L36 9GD. We have appointed an independent Programme Officer for the examination, whose contact details are:

Note: These documents comprise the supporting documents which are relevant to the preparation of the Knowsley Local Plan: Core Strategy and which must be submitted to the Secretary of State under Regulation 22 of the Town and Country Planning (Local Planning) (England) Regulations 2012. The referencing system in the left hand column is drawn from a wider proposed examination library which also includes for example previously published drafts of the documents and published policy documents. For this reason, there are some gaps in the numbering of the reference system.
